The library has adequate number of books, e-books, Research Journals, E-Journals, Magazines, project reports, back volumes, Newspapers and Question Banks The college has e-resources from Data Bases like DELNET, INFLIBNET, NLIST, NDL, and ShodhSindhu.

Library Management System (ILMS - Campes iLIB Software)

The Library provides access to all the students, faculty members and researchers for 9 hours on all working days. OPAC (Online Public Access Catalogue) helps students and staff to view the availability of books and other library resources. The software Campes iLIB Software has been updated with a latest version 7.0.2 in the academic year June 2021 to access all the resource of the library. Its Helps in issue of books to students, staff, and research scholars are recorded.

A weekly, a monthly and an annual report can be generated, based on the information requested by the user, for book purchase, stock verification; usage report of students/staff can be generated from the ILMS. The College library provides E-resources like DelNet, N-List, Inflibnet for the benefit of the students and staff.

MBA Library:

MBA library is located in the separate block. The College library provides E-resources like DelNet, N-List (Inflibnet) for the benefit of the students and staff. More than 2000 students both (PG AND UG) registered in **National Digital Library** to access the E- resources.

Fully Automated:

In the Library, each book is assigned with an accession number with barcode label. The catalogue of books consists of title, author, publication, price and location with ISBN etc. The details of membership are entered for both staff and students with their college ID number. The Library plays an important role in supporting the User community in all activities of the College to enhance their learning. Separate areas have been provided for reference section for the students and staff members.
