6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is a part of the institution's organism and installation towards realization of the goals of quality enhancement and sustenance. The prime duty of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of the institution. IQAC shall evolve mechanisms and procedures for ensuring the successful completion of academic and administrative tasks. Optimize and integrate the modern methods of teaching and learning. Facilitating the quality education and faculty involvement to adopt the required knowledge, technology for participatory teaching and learning process. Developing and maintaining the institutional database for the purpose of enhancing the institutional quality.

IQAC was formed on 6th Aug 2005. It functions efficiently under the leadership of the Head of the Institution, Director, Deans and IQAC Coordinator in accordance with the guidelines framed by NAAC. IQAC is responsible for co-ordination of the departmental activities. It supervises all the academic matters of the Institution and suggests measures for achieving excellence. IQAC Meetings are conducted frequently along with the Deans and HODs of various Departments and Associations. This is followed by Meetings with the Management to ensure the implementation of suggestions for excellence assurance.

The IQAC has immensely contributed in the implementation of quality assurance strategies and processes at all levels. Our Institution has regular meeting with faculties. Performance of the departments is appraised at the end of every academic year with a focus on the unique activities of the Departments and thereby the College.

Academic & Administrative Audit :

Internal Academic Audit for the Departments was conducted regularly. The Audit Team consisted of the members of the various NAAC Criterion Committees. To improve the quality achievements, the Audit Team interacted with the staff, and gave constructive suggestions for improvement based on the guidelines format was given department wise. The IQAC took responsibility for planning and conducting the academic audit and provided feedback to the Principal and was informed to the Staff Members for further implementation.

Signing MoUs :

Collaboration with industries and academic partners is the need of the hour in higher educational institutions to promote innovations, and produce industry-ready graduates. IQAC and Training, Internship and Placement Centre insisted on signing memorandum of understanding to increase and improve internship, research and placement.

The Principal and the Heads of the Departments deliberated on the areas where MoUs can bring maximum benefit to the students and contribute towards curriculum enrichment, internship, training on core and soft skills, proficiency in English and entrepreneurship.

The two examples of the Best Practices institutionalized, as a result of IQAC include

- (1) Stakeholders Feedback Collected and analysed.
- (2) Encouraging the participation of teachers in research activity, Paper Presentation and Publication

New courses are introduced every year based on the current trends an IQAC Meeting is convened at the beginning of every semester to discuss the matters related to the introduction of new courses for the coming academic year, in the presence of the Management members, Principal and Heads of the Departments. During the discussion, suggestions are put forth by the members for the starting of new courses in the coming academic year. These suggestions are analyzed and the final decision is taken by the Management, Principal and IQAC Members.
