The College Emblem

Estd. : 1989

The emblem is circumscribed with the name of the college and the motto, 'Thou Art One - Unity is our Heritage.' From days of yore, unity has been India's heritage.

Within the circle, the book symbolizes knowledge and records man's dream of achievement and exploration. The all-embracing and sophisticated computer system signifies the dawning of an era of high-tech society and the much-desired multi-sided evolution of our society.

The rose in the center stands for idealistic perfection and peace that is nurtured in the class-room. True education instils the spirit of inquiry and ratiocination. It is the harbinger of peace. The tableau with its composite diversity in symmetrical balance denotes – "The future India getting shaped in classrooms".

Estd. : 1964
