ANNUAL E-GOVERNANCE REPORT

Annual E-Governance Report

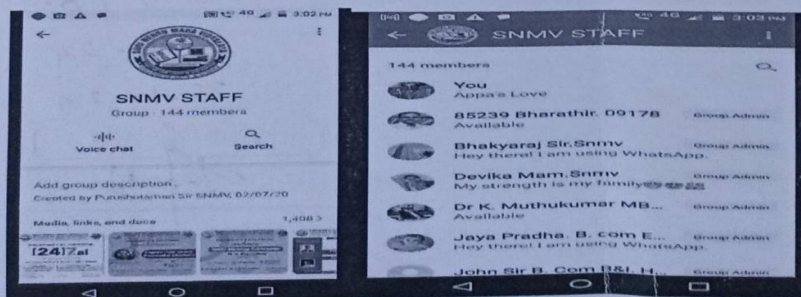

Shri Nehru Maha Vidyalaya College of Arts and Science has implemented e-governance for sharing information and to manage human resource efficiently with transparency through participation and accountably from all stakeholders. The Enterprise Resource Planning (ERP) of the college is categorized as two major areas like E-administration and E-services. E-administration uses ICT for information process and decision making by the Governing body, head of the institution, IQAC and different committees formed to decentralize the administration. E- service provides various service facilities. Most of the staff and students use smart phones to utilize the benefits of modern-day technologies available in the field of higher education

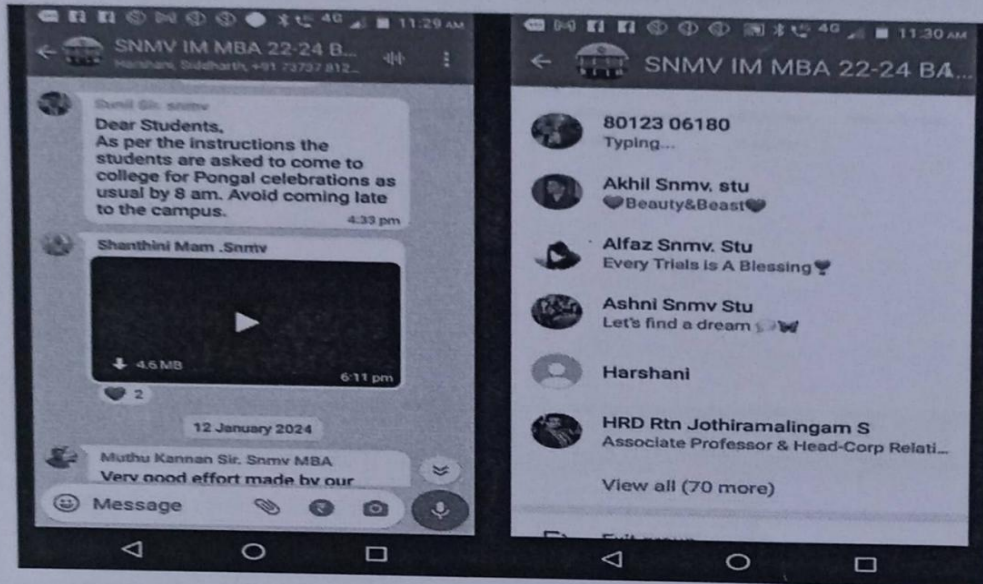

E-Governance is the use of information and communication technologies (ICT) in organization to provide user service to improve work efficiency and to promote democratic values.it is being used as a platform for efficient, transparent and timely delivery of service to all the stakeholders. The purpose of E-Governance is to bring transparency and efficiency in working of the organization. The urge for transparency and efficiency is derived by the demand of ever-increasing aspiration of information age. Speedy and cheaper communication, convenience, transparency, accountability, improved customer service and increased access to information are some of the basic parameters on which the concept of e-governance relies and find its foundation.

Shri Nehru Maha Vidyalaya, Coimbatore is trying its best to keep pace with the recent application of e-governance in terms of various functions being performed digitally through internet.

A Company known as **AVEON INFOTECH** Coimbatore was selected through tender process for implementing e-governance in various domains of college administration. Students 'attendance management, students' database, examination and continuous assessment record were made by automation process. Another vendor **AGT technology service** is selected to provide necessary support for maintaining college website.

A dedicated WhatsApp Group has been created at institution level and also in each academic department for sharing orders, information, direction and discussion on a common platform. The necessary budgetary allotments for implementation of various government schemes and digital awareness are provided by the college and proper utilization is ensured with utmost transparency within time limits.

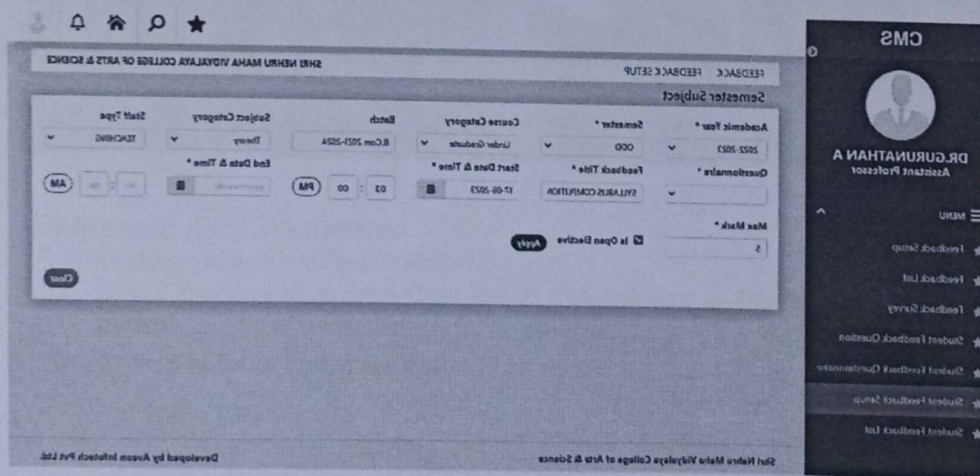

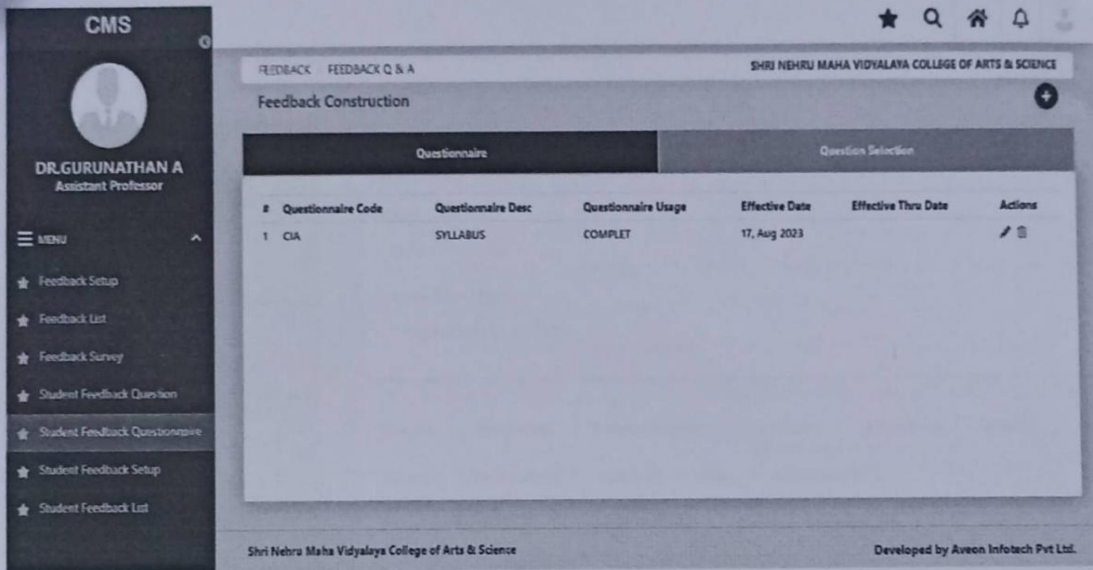

Application of e-governance in different fields are given below
