Green Campus Initiatives

- ✓ **RESTRICTED ENTRY OF AUTOMOBILES-** The vehicles owned by faculty or students with pollution check stickers are permitted into the campus. For two wheelers or four wheelers, security measures are mandatory.
- ✓ **USE OF BICYCLES-** The students staying in boy's hostel are using bicycle to go from hostel to college and vice versa. Students and staff coming from nearby villages also prefer bicycle as a mode of transport for attending the college. It is environment friendly and prevents pollution
- ✓ **PEDESTRIAN FRIENDLY PATHWAYS-** Vehicle parking space is provided at the main entrance of the college campus. As the campus is vehicle free with some exceptions, students and staff experience comfort walking through the pedestrian friendly pathways. The internal roads are lined with trees and solar lights and they are properly maintained by the campus maintenance committee.
- ✓ **BAN ON USE OF PLASTIC-** Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.
- ✓ **LANDSCAPING WITH TREES AND PLANTS-** Landscaping of the college is worth seeing and reflects aesthetic sense. The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates. The lawns and the trees provide shade and beautiful ambience. Utmost care is taken to develop and maintain green landscaping by trained gardeners and supervisor. The construction, maintenance and beautification committee constituted in the college looks after the development and maintenance of the greenery in the campus. The institute authorities are taking initiatives to make the campus paperless. Internal communication in the campus, through e-mail or e-messages, is driving towards paperless office. Electronic notice boards are installed in the campus to display circulars and information for the students. Electronic gadgets are preferred to transfer and store the official data and information. Library and examination sections are equipped with efficient software.
